WITH
CAPTAIN
TOUJOU!?

Huh? Ah, no...
Aren't you tired?
Let's sleep.
くるっ。
T-That's right...
Oh yeah... As far as Motoya's concerned, this is your first time staying here, isn't it..?
カアッ
What's wrong? It's just like the first time you stayed here...
クスクス
はっ...

But, Motoya isn't allowed to sleep anywhere else...
Mm...

So...
Try your best to sleep here, please!

This bashful Motoya's a bit cute too...
O-Okay. I'll try.
Well... I have a feeling she was like that when she was my classmate too, though...
This older Captain Toujou totally doesn't let anyone talk back...
ドキ
ドキ
Can I really sleep beside Captain..?
Even so...

チラッ…
zzz

...So he fell asleep.
Looks like the drug's effects are still there after all, huh..?
スッ
The Motoya who has an age gap with me...
I feel a little lonely for that, but...
This Motoya is still the 16 year old Motoya...
I'm really happy
that you came back to me...

But, they were indeed soft...
No! No!!
Sigh...
Eh? What is that building ..?
...Well... Ahh... So that's the main building's area then?
Huge, huh..?
Motoya~!!
...Ack, no no, not Toujou's boobs...

So this is where you were at...

Yes, I'm just washing my face over here~

Toujou..?

I was worried if you had vanished again...

Well? What's the matter?

Here I go~
Ah, that's not it..

Aren't you going to eat?

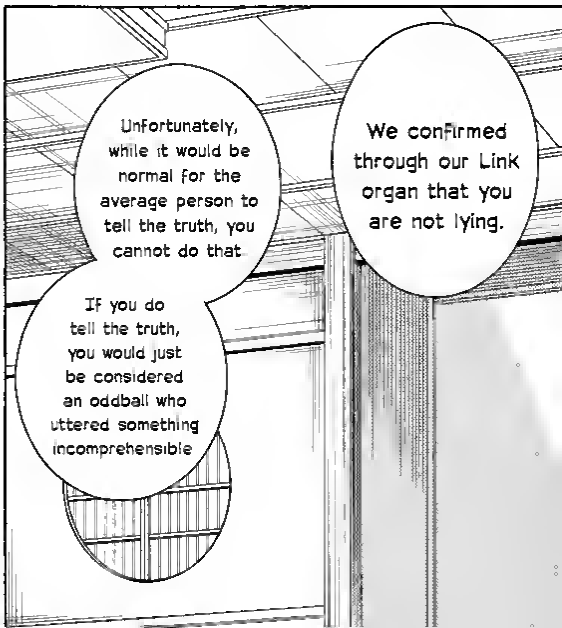
Ah, then I'll also–
Um...
I have some errands today, so I will be heading out
SFX: Place
Eh?
I apologize, but Motoya may not leave this home.
Erm...
Have you forgotten about yourself?

Do you understand? If you were to encounter someone who knew about you, how would you plan to explain yourself?
Ah...
Why would you think someone who came from three years ago would be able to stride around in this period?

I see. And then you would be thrown into a mental institution..
はあ…
No, well... I'd say I came from the world three years ago..

Are we clear?

Crystal...



We confirmed through our Link organ that you are not lying.
Unfortunately, while it would be normal for the average person to tell the truth, you cannot do that
If you do tell the truth, you would just be considered an oddball who uttered something incomprehensible

I'm only saying this because I'm worried about you.
Could you be a good boy and stay in the house?
...Got it.

Wooah..!
A maid..!

If it's this vast, even the stress won't be too hard to bear...
ワクワク

But hey.. Good thing it's spacious.

Hmm?
?
That's the dining hall- Er, huh..?
But, the house is enormous, ain't it..?

Oh?
I feel like I saw space in the interior of this building from the outside...
Could it be a hidden room?

Woaahh...

How is the state of affairs?
It's been a month since the *Hiawatari Device* was stamped by decree of *His Excellency*, but...

That's wonderful.
Not seeing any insolent people looking to exploit the Hiwatari Device is
a delightful situation as far as the current government's concerned.
コト…
There have been no particular changes.
SFX Place
……
Ye...ah...
Eh?
T-That's not it!!
Did something happen?
...You look like you're zoning out, but...

N-No...
Heh...
Himari's hiding something from me, huh?
Since Himari and I are close cousins,
I believed that Himari trusted me in her own special way, but...
But, Your Highness, you are my lifesaver!
Of course I trust you!!

E-Erm...
.....
You can't call it trust if it's a relationship where you hide your worries! Generally speaking
Ahh I have been receiving reports in regards to Hazakura's appearance!
But it seems like there's slight confusion in regards to their accounts...
Truth is, Motoya...
Hazakura Motoya was found...
That's fine! From here, I will counsel you as your cousin.
I see You've come to ask me about Hazakura, right? I obviously know about your relationship with him
Erm... That is...

A-
Actually
...
Watching Motoya sleep, I did an unthinkable act, even for me...
An unthinkable act?

With... sleeping Motoya...
I wanted to kiss him...

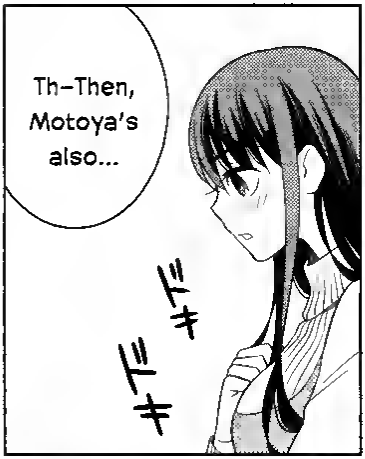
Pfft-

!?
Ahaha-hahah!!

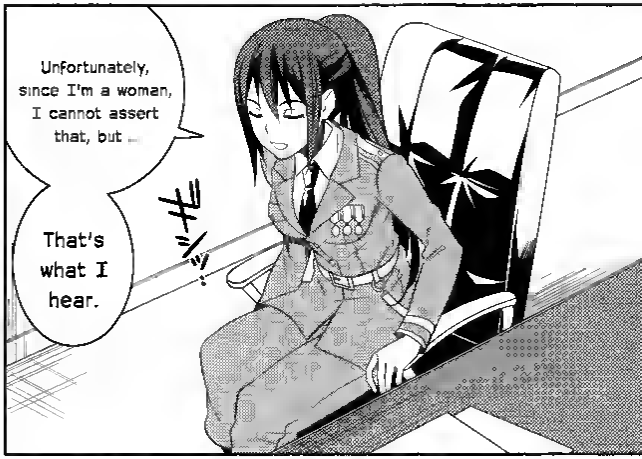
It is not a laughing matter!
I am worried since I am wondering whether I may be a perverted girl!

Eh? I-Is that so?

But, isn't that a wonderful thing?
Ahahah- Sorry about that!
Men probably like the kind of perverted girl you're talking about!



Th-Then, Motoya's also...
ミキ
ミキ

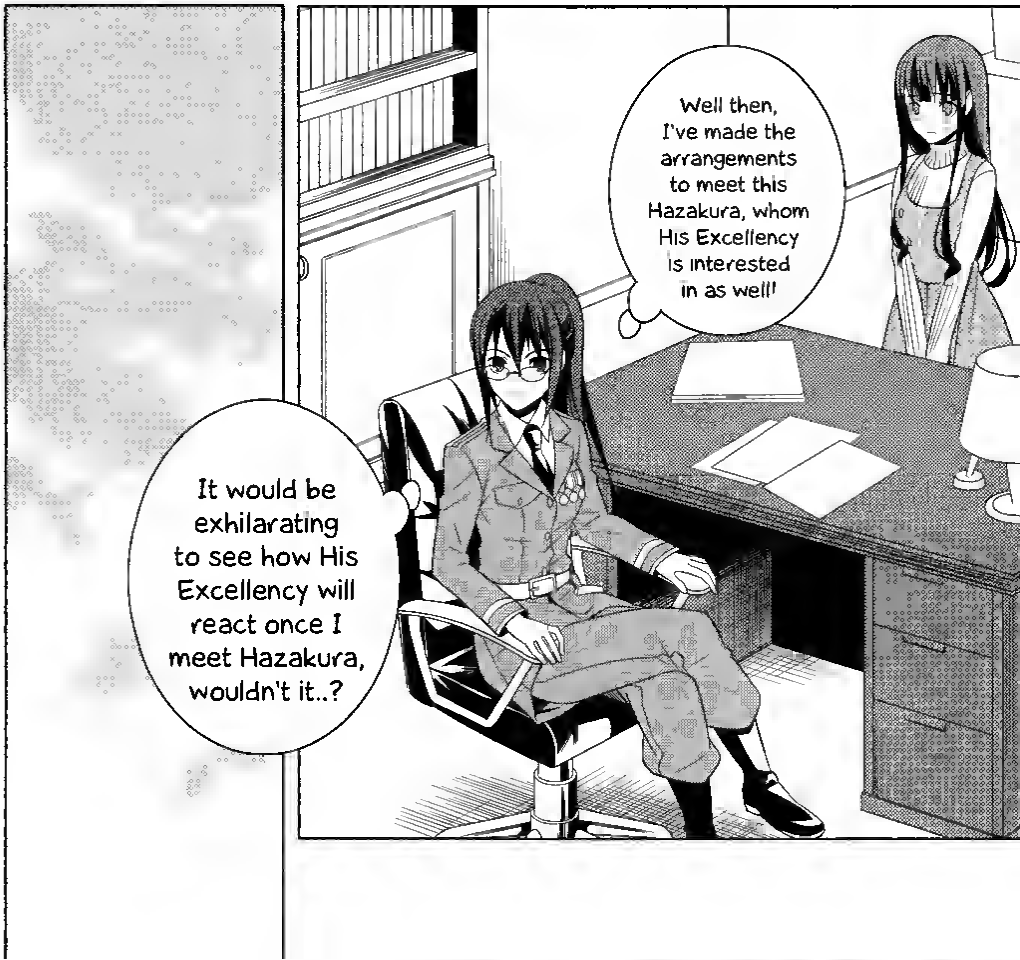


Unfortunately, since I'm a woman, I cannot assert that, but ...
That's what I hear.
ギッ

・・・・・・

B-But...
Eh-
I am now surging with interest for this Hazakura whom Himari is clinging on to such an extent
I want to try meeting him once
This is an order.
Let me meet Hazakura.

H-Hiwatari Nomiya is interested in Motoya..?
Very good.
I'll leave the location to you. Set the meet as early as possible.
R-Roger that!
ニヤッ



Well then, I've made the arrangements to meet this Hazakura, whom His Excellency is interested in as well!
It would be exhilarating to see how His Excellency will react once I meet Hazakura, wouldn't it..?
